The screenshot shows the Windows Internet Options dialog box, Security Page. The 'Site to Zone Assignment List' is visible, showing a table with one entry: 'http://zabbix.domain.local' with a value of '1'. A 'Show Contents' dialog box is overlaid on top, with the text 'Enter the zone assignments here.' and a table with the same data as the main dialog box.

Value name	Value
http://zabbix.domain.local	1
